

BREAKFAST/AFTERSCHOOL CARE CLUB

We still have some places for both our new breakfast and after school clubs. It has been a fantastic start and the children are really enjoying the provision. Places are limited especially for the after school club so if you are interested please contact the office or see Mrs Hawkins.

PLEASE NOTE

Children can not be dropped off at after school club UNLESS the relevant paper work has been filled in and registered BEFOREHAND.

There is provision for children to attend activity clubs then after school club.

SMSA VACANCY

We currently have a vacancy for a School Meal Supervisor. It is for 5 hours a week Monday to Friday starting at 12.30pm and finishing at 1.30pm. Duties include preparing and clearing tables, supervising during the lunch hour. Please contact the office for an application form and job description.

FREE SCHOOL MEALS

Support for families

If you think you may be entitled to support for school meals, please contact the office for a form. Lots of people don't realise that requirements change all the time and therefore don't know that they may be entitled. It doesn't do any harm to enquire by filling in a simple form or by checking online on www.n-somerset/fsm

This is separate from universal free school meals in KS1.

FLU VACCINATIONS

Please ensure you return the filled in forms to the office as soon as possible if you would or would not like your child to have the flu vaccination offered by the school nursing team.

CENSUS DAY

On Thursday 5th October, it is a national census day. It will also be fish and chip day (instead of Friday) for school lunches so if you would like your child to stay for lunch please book a place.

SPACE WEEK

From October 2nd, the school will be celebrating Space Week. Mr James will be kicking the week off with a Space themed celebration assembly. There will be a competition running through the week with an art gallery on Friday in the main hall after school.

Competition Details:

Mr James would like to create a badge for the school as we participate in a European Space agency adventure called Mission X (Details to follow soon). He would like the children who want to take part to design a brand new Worle Village Space Station. It can be in any form they like as long as they use their imagination. It should include a new logo for the school with the phrase Mission X. There are two prizes available one for KS1 and for KS2. **All entries due in no later than lunchtime on Friday 6th October as judging will be after lunch.**

PERSONAL DETAILS

Have we got the most up to date information for your child? If there are any details i.e. home address, telephone numbers, doctor's advice etc then please let the school office know immediately. Even if you think it is trivial, it could be vital for us to know.

COME AND LOOK AT THE SCHOOL

If you are thinking about a place for you child for the 2018 – 2019 academic year, why not book a time to come and see our wonderful school. Please contact the office to arrange a time.

DATES FOR THE DIARY:

Parents Evenings – Mon 16th and Weds 18th October Check individual classes for times.

Census Day – 5th October

End of Term Halloween themed Disco – 19th October

End of term 1 – 19th October INSET DAY

Please note that the school will be closed on Friday 20th October for in-service training for the staff.

YEAR 5 AND 6 WOW EVENT

On Wednesday 27th, Year 5 and 6 went to the Tank Museum in Bovington. The gasps as we entered the camp clearly showed this trip was going to be awesome. Inside was no different, with over 330 vehicles on show as well as an amazing Warhorse exhibition the museum definitely provided the WOW factor we were after. Split into groups, the children enjoyed being immersed into the frontline trenches and experiencing what it felt like in a WW1 Mark IV tank. The children learned so much about WW1 and this will support them as they journey through their topic. A highlight of the day was being able to watch a German Tiger tank make its way into the vast garage area – an opportunity to see a real moving tank that rarely happens. Apologies for being late back due to the motorway.

YEAR 1 AND 2 EXPLORE

On Tuesday 26th September Year 1 and 2 were to experience a fantastic day in @Bristol. The children undertook a range of exciting activities that were linked into their topic theme for the term. The highlight of the trip was to take part in a workshop called Destination Space. The children designed and built a rocket of their choice before launching it! They looked at various materials used to create a space suit and even explored gravity! If that wasn't enough fun and excitement, they also received and watched a message from the British astronaut- Tim Peake. They also spent time looking around the exhibits before watching the amazing space show in the planetarium! Wow! What a great way to learn about space?

Time out for Parents Course (For Primary Years, children 5 - 10 yrs old)

This course will help you as parents to support your children as they start to find out how the world works, learn how to manage their feelings, find out what they're good at and experience the consequences of keeping or breaking the rules.

To enable parents to reflect on their own childhood experiences
To promote assertive parenting techniques
To increase understanding of developmental tasks
To help parents identify and manage their child's unique temperament
To help develop a positive parent/child relationship
To improve communication skills
To provide a clear framework for setting and keeping boundaries
To help parents manage their child's emotions, including anger

To encourage parents to take care of their own needs
Session 1 ~ What being a parent's really like (Goal, Temperaments, and Needs)
Session 2 ~ Children's Needs (Emotional Needs, Praise)
Session 3 ~ Feelings & Listening (Empathy, Encouraging Communication)
