

## Welcome Back Another great year on the horizon!

May we congratulate you on ensuring the children look lovely and smart on their return.

### PARENT PAY

A new academic year, a new start. Please ensure that your Parent Pay accounts are always up to date as if not, it could result in a lunch not being ordered for your child.

### ABSENCES

If your child is to be absent on any given day for any given reason, please make sure you call the office and advise them so the register – A national government document – can be updated. Thank you.

### NEW STAFF

Welcome to Mrs Dickson who will be joining us to help run the Breakfast Club and some 1:1 work in the school. A great addition to the team.

### DATA COLLECTION

If there are still any outstanding data collection forms, please ensure the office have them so records can be up to date. This is crucial in the event we need to make contact during the school day due to an emergency.

### MEDICAL INFORMATION

In order for the school to carry out its duty of care, we require any up to date medical information concerning our pupils. If you know of any conditions either new or existing that may have changed recently, please inform the office immediately. In addition, make sure their medication is correctly labelled and handed in where appropriate.

### PE KITS

Please make sure that your child has the appropriate PE kit in school on their peg ready for PE. It saves a lot of time rather than finding extra kit when they could be learning. Thank you.

### New school e-mail

The new school e-mail to use is: Office@worle.village.n-somerset.sch.uk

### CENSUS DAY

On the 4<sup>th</sup> October 2018, there will be a census day at school. We encourage all children to take part in a school meal this day. The menu will be:  
Build a burger or Veggie hot dogs.

### MUSIC LESSONS

Music lessons will begin on 21.9.18. Please ensure you have your instruments where appropriate. See the office for any further details.

### SCHOOL INFORMATION

Don't forget to keep an eye on the school APP or the Anomaly board in the playground as well as the newsletter and bulletins to keep up to date with what is taking place throughout the school. The menu will be updated on the APP soon (When fixed)

### FIRST AID

We would like to announce that the school now has two more Paediatric First Aid trained members of staff to help make sure the pupils are safe and cared for.

### QUIZ NIGHT

Sunday 9<sup>th</sup> September was the inaugural quiz night held at the Nut Tree. It was a huge success with over £100 raised for school funds. We hope to see even more teams at the next event on Sunday 7<sup>th</sup> Oct.

### SECONDARY SCHOOLS APPLICATION

Time to apply has now opened. You might have had a letter at home but in case you haven't please see the link on the website below which has all the details you require.
