

YEAR 6 CAMP

On Monday 6th November our intrepid Year 6 embarked on

our annual camp to Mill on the Brue in Bruton, Somerset for 5 days of fun. The children took part in a wide variety of activities that would challenge their leadership, problem solving and team building skills – for some to the limit!

In a word, they were all fantastic throughout the week as they hurled themselves off towers, abseiled down sheer walls or zip wired across the valley.

Their leadership and problem solving skills were tested through puzzles, tasks to be solved such as saving the Bruton Nuclear Reactor from melting down. Each activity made them think, plan and review as a team.

As always, they enjoyed the great food and finally Worle can say they are zero heroes!

We didn't waste a gram of food for the whole week! We are very proud of the children as their behaviour was impeccable and the instructors gave extremely positive feedback for every child.

CHRISTMAS CARDS TO BUY

We have found a company that will create Christmas cards that are designed by your children and get them to us in time for the big event. If you would like to take part and purchase cards, please find attached the order form that needs to be filled in along with your child's design on the back and handed into the office no later than **9AM on WEDNESDAY 22ND NOVEMBER. You only have this weekend to create the design at home.**

We will be looking at creating tea towels later in the year to sell at the summer fare.

CHILDREN IN NEED

We are pleased to announce that Worle Village has raised £200 for Children in need thanks to your kind generosity.

READING WORKSHOP

As one result of the responses from the questionnaire, the English team have arranged a drop in reading workshop for you to attend. The foci will be on reading strategies, comprehension and Bug Club access. **This will be held on Tuesday 21st November at 2.00pm and 5.30pm.** Osborne books have agreed to attend the 2.00pm session so you will have a chance to talk to them about reading books for your children. We look forward to seeing many of you as possible.

CINEMA TRIPS

Congratulations to all the children in our school for exemplary behaviour on their trips to the cinema. Whether it was by train or bus or mini-bus ALL the children were a credit to our school and you as their parents. Yet again, we had correspondence from the Railway complimenting us on our children whilst travelling in their service. Well done.

CHOIR PERFORMANCE

On Sat 25TH November, representatives from our school choir will be taking part in the 'Weston Choral with the choir from Worle Village Primary School'.

This is an evening of Modern Choral Classics being held at All Saints Church in Weston-Super-Mare. Tickets are £11 (£5 School children)

PARENT PAY

It seems as if this is to become a regular feature in the newsletter but there are still monies outstanding for dinners. As an academy, we have to use every part of our budget carefully to ensure ALL the children in the school receive the best education and resources possible. We cannot do this effectively when we have to pay Edwards and Ward (the business that provides the lunches for our children) out of our budget. They do not provide this service for free! If you know you owe the office money, please make arrangements to clear this as soon as possible.

HOT CHOCOLATE FRIDAYS

Warm up with a lovely hot chocolate with the trimmings. Every Friday for the remaining of the term they will be served in the top playground. If you have some spare time and would like to volunteer to help, please see Mrs Hathway or Mrs Stuart.
