

We welcome in 2018 and once again, it is sure to be a fun packed and fast paced time. At Worle Village it is no different! Mrs Elliott and her team wish you all a very happy and prosperous New Year.

YEAR 5 SPORTS

On Wednesday 10th Jan, Year 5 went to Hutton Moor to take part in a sports hall athletics competition. The afternoon was full of sport and everybody taking part...even Ms Densley! They all had a great time and really showed what they could do. Well done to you all.

ONLINE SAFETY

You may have bought IT devices for your children this Christmas. If the device has internet access, then this link is definitely for you.

This guide has been created to answer any of your questions for some of the most popular devices, highlighting the safety tools available and empowering you with the knowledge you need to support your children to use these technologies safely and responsibly.

PE KIT

Please now that we are back for the new term, ensure that your child has their PE kit in school at all times.

PARENT PAY

A New Year, a fresh start. There are monies still outstanding for dinners. As an academy, we have to use every part of our budget carefully to ensure ALL the children in the school receive the best education and resources possible. We cannot do this effectively when we have to pay Edwards and Ward (the business that provides the lunches for our children) out of our budget. They do not provide this service for free! If you know you owe the office money, please make arrangements to clear this as soon as possible.
